A large graphic featuring the company name "PAYROLL SOLUTIONS International" in a bold, yellow, sans-serif font. The text is set against a dark blue background with a subtle grid of puzzle pieces. The lighting is dramatic, with bright beams of light shining down from above, creating a sense of depth and focus on the text.

**PAYROLL  
SOLUTIONS**  
International

**Workforce Solutions That Fit!**

Payroll  
Human Resources  
Time and Labour Management

## Payroll Services

PSI PaySolution™ is payroll software developed by Canadians for both the North American and International marketplace. Features include:

- ◆ Electronic direct deposit or pressure sealed cheques

- ◆ 24/7 on-line access to PSI PaySolution™ WebPay
- ◆ Vacation & Sick Time Accrual Tracking
- ◆ Electronic Pay-Stubs
- ◆ 150+ Standard Reports
- ◆ Email Notifications & Reminders

## Human Resource Information System

PSI Workforce HRIS™ Human Resource Information System is a user friendly program with the depth and capability to handle a wide range of Human Resource Management and corporate objectives.

- ◆ Highly customizable to suit specific requirements
- ◆ Employee & manager self-serve
- ◆ Integrated timesheets
- ◆ Unique report writer
- ◆ Payroll integration
- ◆ Applicant tracking

## Time & Labour Management

PSI Workforce™ TLM is built on an SQL and ColdFusion integrated platform. This product is the most powerful Time and Labour Management service available.

- ◆ Employee attendance and tracking
- ◆ Analyze worked and non-worked time
- ◆ Track basic accruals and HR information
- ◆ Allows you to run various Crystal Reports on employee information, timecard details, payroll information, schedules and more
- ◆ Automated real time reconciliation of time data
- ◆ Complete with three modules: manager, employee self-serve, time punch or you can customize

We can help you solve the puzzle
