Payroll Solutions International Inc. Announces New Licensing Agreement 1AnswerHR

Payroll Solutions International Inc. has entered into a licensing agreement with 1AnswerHR, for its new, state-of-the-art SaaS software using Web 2.0 architecture. We are pleased to announce that PSI will be adding this powerful technology in conjunction with our already existing HRMS options.

Effective March 1st, 2011, Payroll Solutions International will be integrating this new technology that efficiently tracks all information required to satisfy HR needs. This will provide customers with the tools they need to effectively manage all of their HR requirements. The new 1AnswerHR application will integrate seamlessly with PSI Payroll and TLM (Time and Labour Management) to provide clients with complete HR functionality.

About PSI

PSI is an International Payroll Provider offering outsourcing services throughout North America and the Caribbean. In addition to payroll services, PSI offers Time & Labour Management Tracking Software and Human Resources Information Systems (HRIS) and Consulting through an integrated web-based platform.
