To Whom It May Concern:

Econiq Inc. is a U.S. company, which focuses on increasing the effectiveness of front line sales representatives in the Retail Banking Industry by providing them access to patented technology. Our Head Office in the U.S. is located in Burlington Massachusetts, and we also have employees stationed in Ireland and Canada.

Payroll Solutions Canada Inc. has been providing us with payroll processing, direct deposit, and tax remittance services for our Canadian employees since 2005. Being able to deal with the same individual every pay period has provided us with a high level of customer service. Along with great customer service, they are prompt and reliable, and we always receive a short turnover time before receiving our per pay period reports.

Econiq Inc., along with myself, highly recommend Payroll Solutions Canada Inc. for organizations looking for a payroll provider. I am open to the opportunity to discuss their services with other organizations who are interested in pursuing a relationship with them.

Sincerely,

Colin Piper
