Re: Reference Letter

Dear Sirs:

We have been clients of Payroll Solutions Canada Inc. since 1997. Payroll Solutions Canada has provided us with payroll support and employer compliance during that period. They are involved in all aspects of our third party reporting and are particularly helpful to us in areas such as T4's, EHT, WSIB, etc.

We have always found the partners and staff at Payroll Solutions Canada to be knowledgeable, helpful and willing to find the solutions.

Yours Truly,

S. Misener
