Payroll Solutions International Inc. Successfully Completes SAS 70 Type 1 Examination

GUELPH, ON, July /PRWeb - - Payroll Solutions International Inc. (PSI) Successfully Completes SAS 70 Type 1 Examination.

Payroll Solutions International Inc. (PSI) announced today that it has successfully completed SAS 70 Type 1 examination.

The independent examination evaluated the control objectives and activities requirements of PSI for the period ending June 30, 2010.

Statement on Auditing Standards No. 70 (SAS 70) was established by the [American Institute of Certified Public Accountants](#), the American counterpart to the [Canadian Institute of Chartered Accountants](#) (CICA 5970). A SAS 70 report is intended to examine the control objectives and activities of service providers who host or process other organization's data.

"As the payroll services sector places an increasing spotlight on independent verification and operational risk management, a successful and comprehensive SAS 70 Type I examination offers our clients valuable reassurance about our operational processes and controls," said Michael D. Cote, PSI President & CEO, and Chief Technology Officer. "PSI's examination is a significant investment for the company. It reflects our commitment to client service quality and data management excellence."

About PSI

PSI is an International Payroll Provider offering outsourcing services throughout North America and the Caribbean. In addition to payroll services, PSI offers Time & Labour Management Tracking Software and Human Resources Information Systems (HRIS) and Consulting through an integrated web-based platform.
